The screenshot shows a web application interface for a map. A red line is drawn across the map, representing a path or boundary. A blue overlay on the right side of the map displays the text "Lonxitude" and "446 m". Below this, there are three icons: a parking 'P' symbol, a wheelchair symbol, and a bus symbol, each followed by the number "0". In the bottom right corner, a small inset box shows "Distancia: 445.95 m" and "Superficie: 0.00". The map itself shows various buildings, streets, and green spaces, with labels like "REPÚBLICA ARGENTINA", "CORUNA", "MADRID", and "ESTRADA DE".
